

Join Our Team - At FWA, every business that supports us in our efforts becomes a strategic member of our team. FWA hosts an annual Educational Conference in Orlando each year, as well as board meetings, CLE events and local membership meetings. Each event opens up an opportunity to develop and cultivate lasting business relationships with our targeted and elite group of attorneys.

Sponsorship Means Direct Access - FWA is your partner for integrated marketing solutions, providing everything you need to promote your brand to our members. Our sponsorship levels offer a wide variety of sponsorship opportunities. The FWA organization has over 300 members with a dedicated purpose of protecting and defending the rights of Florida's injured workers. Since 1990, FWA has provided a medium for cooperation and continuing education among lawyers representing the interests of injured and disabled workers. FWA has also developed and maintained relationships with other persons, organizations, and businesses interested in promoting fair and just treatment for workers who suffer on-the-job injuries and the families who depend on them. You are invited to take advantage of this unique opportunity to market your company to FWA members.
